Emergency Card

It is a requirement of St. Nicholas Greek Orthodox Church that all children who register in any of our parish youth ministries/organizations must also submit a new Emergency Card to each ministry/organization each year.

The Emergency Card is exactly the same for all our parish youth ministries/organizations and can be downloaded from the Greek School website.

You can use Acrobat Reader to type the relevant information directly into this form and save it as a file on your computer. You can then print it and submit it as needed.
